**Harmonie Worldwide Seminar:
Navigating Catastrophe Law: Legal Frameworks
for Natural and Man-Made Emergencies**

Wednesday, November 6th

Join Harmonie Worldwide for an in-depth study of the Baltimore bridge collapse and the international legal ramifications of the event. Learn about the types of claims that have arisen from the bridge failure and how those claims have impacted the global economy.

Gain an understanding of what you need to know to be prepared for mandatory natural catastrophe insurance through a discussion of the new law that will take effect in Italy.
